

CREATE UNFORGETTABLE EVENTS ACTIVITIES YOUR DELEGATES WILL LOVE

We're passionate about providing first class experiences to visitors of Uluru-Kata Tjuta National Park, in the Northern Territory. By exploring the spiritual heart of Australia, onboard a Segway attendees are able to see more and connect with Central Australia's unique nature, culture, history and geology.

Tours

Uluru Segway Tours provides a unique adventure that enables delegates to ride a Segway to experience more and connect with our unique region. Our tours are fully guided; the option to circumnavigate the base of Uluru or showcase the most spectacular areas, our tours are designed to enthrall delegates.

Our tours are available as exclusive or public touring and operate year round, with multiple departure options daily.

Capacity

With 40 Segways and tour bus capacity for 30 attendees, we can easily cater to groups of up to 30 participants at one time. For larger groups, our activity is best scheduled over multiple time slots or as part of a round robin of activities.

To ensure highest quality safety standards all tours have a ratio of 1 guide : 10 participants.

Why Segway at Uluru?

Experience more

Riding a Segway around Uluru, enables attendees to see more!

Learn about Anangu Culture

Our knowledgeable guides are passionate about sharing information about Anangu, local Indigenous, culture.

PLANNING FOR ADVENTURE SAFETY & FAQS

We're an adventure activity and take safety seriously. All tours include a 30 minute training session to ensure delegates are confident and comfortable riding a Segway.

Safety Information

Segway Suitable Delegates

Segway riding is an adventure activity and as such it is important that all attendees engaging in our tours are 'Segway suitable'. In other words:

- Aged between 12 - 60 yrs, those aged above 60 years old are unable to engage in our tours as part of a corporate group, without explicit consent from Uluru Segway Tours, due to increased risk in the event of a fall.
- Are free from serious injury/illness and fit enough to ride a bicycle
- Are not currently pregnant
- Weigh between 45-117kg
- Are aware Segway riding is a soft adventure activity.

FAQ's

Are we able to bring use our charter coach to meet you at Uluru?

Yes! If your group will be utilising a coach for charters and you would prefer to coordinate them to drop your delegates to Uluru instead of using our vehicles for transfers, this is completely fine.

The event I'm hosting is larger than your suggested capacity. Can we still include you in our itinerary?

Yes, you can. Our tours work best as small group tours with 10-30 participants engaging in them at one time. For larger groups our tours work best as an offering over the course of a full day or in different time slots throughout an event or as an optional extra for attendees to register for before the event.

Is there anything that isn't included that we should know about?

Our tours do not include National Park Entry Tickets (\$38 per person), however if required, we can assist you in coordinating them.
